## The Modesty of Women

Naturally makes them shrink from the delicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispels the disease, the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debility, drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of known composition. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamp to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound. If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.

## DEATHS AT FIRES.

Fire of unknown origin early yesterday morning destroyed the Okaogan Hotel at Vernon and the premises of the Royal Bank of Canada, P. Barnes & Co., Morris & Co., and F. A. Loveridge at Victoria, B. C. There were 74 guests in the hotel, which burned rapidly, and of these eleven are known to have perished, the bodies being found. It is thought that the roll of deaths will be added to by further search of the ruins, while five seriously burned are at a hospital, and their recovery is despaired of.

Hendlan's Point amusement park and the Eastern League baseball grounds at Toronto, Ontario, were swept by fire late yesterday afternoon. The fire started through an explosion in the Gym Theater, a moving picture concern about 3:45 p. m. and by 6 o'clock there was not a building left standing in the entire ground. So rapidly did the flames spread that five minutes after the first outbreak the park was a roaring mass of flames. Miss A. English, the cashier in the theatre, was surrounded by flames before she could escape and so badly burned that she died. An unknown young woman was burned to death in the Figure Eight. The cashier in the Figure Eight was caught by the fire, but was rescued by Harry Robinson, a well-known athlete, who rushed to her assistance and dragged her to safety just as the flames had reached her clothing. Both she and her rescuer were badly burned. The total loss will reach \$500,000, with very little insurance.

## LITTLE GIRL MURDERED.

After having assaulted 13-year-old Ella Welch, Sunday morning, and having kept the girl, her mother, her brother, and sister prisoners in their own home at Ironton, Ohio, until 5 o'clock yesterday morning, Charles Davis, a negro, murdered the girl by blowing out her brains with a shotgun, and when captured cut his own throat. Welch, the father of the girl, is a miner, and was not at home at the time, but in the mine at Williamsburg.
